Cabinet Delivery Questions

Please complete and return for proper handling and delivery of your cabinet.

The delivery service used by CableMaster is fast and efficient. However, if they have to wait beyond initial delivery of your cabinet, the delivery company will bill additional charges of \$60.00 per hour. Any and all additional charges will be passed on to you for immediate payment. Therefore it is in your best interest to have your area ready for delivery before we schedule your delivery. Please complete this questionnaire, sign the bottom and return to CableMaster for processing and schedule of delivery. Thank you.

- 1). Do you have a loading dock at your location where a truck or trailer can park to unload your cabinet?
2). If you do not have a loading dock, do you require "inside delivery?"
3). Do you/your company have a freight or large elevator to accommodate the cabinet for delivery above ground floor?
4). Do you have the designated location marked and ready for delivery?
5). What size is your doorway / hallway to the designated spot for the cabinet? If doorway is less than regular size, please remove the door to make room for delivery.
6). What is the date and time that you need the cabinet delivered?

Agreement: I understand that the delivery company is a service used by CableMaster and not an division of CableMaster. All delivery charges are paid for by me/my company. I further understand that the average delivery costs range \$70.00 for driver to deliver to my dock door. If driver is delayed by me/my company, me/my company agree to pay additional charges of \$60.00 per hour while driver is detained/delayed at my business and/or delivery location.

The undersigned understands and agrees to the requirements and specifications of delivery. Customer agrees to pay any and all additional charges for any on-location delay to driver for this delivery. Any additional delivery bills incurred are due upon receipt.
